Agreement, indemnify, directly defend and hold Contractor, and its agents and employees, harmless from and against all of the following to the fullest extent permitted by law:

1. Any claim, liability, loss, damage, cost, expense, costs of defense including reasonable attorney's fees, awards, fines, or judgments, provided that said loss arises from death or bodily injury, illness, disease, or damage to or destruction of property, or other loss, damage or expense, including any of the same resulting from the alleged or actual negligent act or omission, regardless of whether such act or omission is active or passive, by Subcontractor or its agents, employees, sub-subcontractors, or anyone else for whose acts Subcontractor may be liable.

2. Any claim, liability, loss, damage, cost, expense, costs of defense including reasonable attorney's fees, awards, fines, or judgments arising by reason of any obligation or indemnity which Contractor has to a purchaser of the completed dwelling(s) arising out of the work or operations of the Subcontractor, its agents, employees, sub-subcontractors, or anyone else for whose acts the Subcontractor may be liable.

3. It is expressly acknowledged and agreed that each of the foregoing indemnities is independent, and that both shall be given effect. 7.2 Subcontractor shall indemnify and hold Contractor harmless against all liability for claims and liens for labor performed or materials used or furnished to be used on the job, including any costs and expenses for attorney's fees and all incidental and consequential damages resulting to Contractor from such claims or liens. In the event that legal action or other proceeding is brought on such claim or lien, Subcontractor shall defend said suit at its own expense, and will pay and satisfy any such lien or judgment as may be established by the decision of the court, arbitrator, or other reviewing authority in said suit. Subcontractor may opt to litigate claim, provided that Subcontractor causes the effect of said lien or claim to be removed from the premises in advance. Subcontractor agrees that the effect of any such suit, claim, or lien shall be removed from the premises within ten (10) days after written demand from Contractor. Where Subcontractor fails to remove the effect of such suit, claim, or lien in spite of written Contractor request, Contractor may, at its sole option and discretion, use whatever means it deems expedient to cause said lien, suit, or claim to be removed or dismissed, and the cost thereof, together with any reasonable attorney's fees, shall become due and immediately payable by the Subcontractor to the Contractor.

7.3 Notwithstanding any other provisions concerning insurance to be provided by Subcontractor as contained in this Subcontract Agreement or any Subcontractor Agreement Addendum, Subcontractor's indemnity obligations herein shall not be limited in any way by the limits or other terms or conditions of any insurance coverage obtained by Subcontractor, nor by any limitation on the amount or type of damages, nor for benefits or damages payable under
